

***i*placement/POLK COUNTY EMPLOYEE HANDBOOK**

WELCOME

It is a pleasure to welcome you as an employee of

iplacement is one of America's fastest growing, privately held companies.

Click here to view the Inc. 500 article naming **iplacement** to their prestigious list of high growth companies.

iplacement is a full-service staffing solutions firm providing a wide variety of clients in government, the financial services sector, healthcare, entertainment, IT and emerging markets with maximum workforce flexibility, increased productivity, more talented employees and reduced costs. From pre- to post-hire, our clients and employment candidates benefit from iplacement's ability to provide exclusive solutions. An industry leader, *iplacement* tailors hiring solutions to fit individual client needs - from finding just the right professional to fill a single job to providing full employee management services. It's how we deliver predictably better suited candidates and improved results.

Polk County, in partnership with iplacement's Recruitment Process Outsourcing Division, recruits exceptional candidates for various positions across the organization.
